Rationale for goal

The total degree and credential goal of 18,445 was negotiated with KCTCS based on historical trends, cohort data, and targets approved by the KCTCS Board of Regents.

About this measure

This indicator measures the total number of degrees and credentials awarded by KCTCS at the associate level and below in an academic year (July 1 through June 30). Increasing these credentials enhances the skills of Kentucky's workforce and increases the pool of potential baccalaureate students.
